## **SECTION 5: CONSENT**

In order to arrange and provide insurance cover and deal with insurance claims in certain circumstances **we** and other **insurance market participants** may need to process **your special categories of personal data**, such as medical and criminal convictions records, as set out against the relevant purpose.

**Your consent to this processing may be necessary for us and the other insurance market participants to achieve this.**

**You may withdraw your consent to such processing at any time. However, if you withdraw your consent this will impact our, and the other insurance market participants', ability to place, administer and provide insurance or pay claims.**

## **SECTION 6: PROFILING AND AUTOMATED DECISION MAKING**

When calculating insurance **premiums insurance market participants** may compare your **personal data** against industry averages. **Your personal data** may also be used to create the industry averages going forwards. This is known as profiling and is used to ensure **premiums** reflect risk.

Profiling may also be used by **insurance market participants** to assess information **you** provide to understand fraud patterns. Where **special categories of personal data** are relevant, such as medical history for life insurance or past motoring convictions for motor insurance, **your special categories of personal data** may also be used for profiling. **Insurance market participants** might make some decisions based on profiling and without staff intervention (known as automatic decision making). **Insurance market participants** will provide details of any automated decision making they undertake without staff intervention in their information notices and upon request including:

- where they use such automated decision making;
- the logic involved;
- the consequences of the automated decision making;
- any facility for **you** to have the logic explained to **you** and to submit further information so the decision may be reconsidered.

## **SECTION 7: DATA SECURITY**

Unfortunately, the transmission of data over the internet or any website cannot be guaranteed to be completely secure from intrusion. However, **we** have put in place appropriate physical, electronic and procedural security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed.

**We** have put in place procedures to deal with any suspected **personal data** breach and will notify **you** and any applicable regulator of a breach where **we** are legally required to do so.

## **SECTION 8: RETENTION OF YOUR PERSONAL DATA**

**We** will keep **your personal data** only for so long as is necessary and for the purpose for which it was originally collected. In particular, for so long as there is any possibility that either **you** or **we** may wish to bring a legal claim under or in relation to **your insurance**, or where **we** are required to keep **your personal data** due to legal, regulatory, accounting or reporting reasons.

To determine the appropriate retention period for **personal data**, we consider the amount, nature, and sensitivity of the **personal data**, the potential risk of harm from unauthorised disclosure of your **personal data**, the purposes for which we **process** your **personal data** and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances you can ask us to delete your **personal data**: see **Section 11 (Your Rights and Contact Details of the ICO)** below.

In some circumstances we may anonymise your personal data (so that it can no longer be associated with you) for research or statistical purposes in which case we may use this information indefinitely without further notice to you.

## **SECTION 9: INTERNATIONAL TRANSFERS**

**We** may need to transfer **your** data to **insurance market participants** or other companies within the Lockton group or their respective affiliates or sub-contractors which are located outside of the European Economic Area (EEA). Those transfers would always be made in compliance with the **GDPR**.

If **you** would like further details of how **your personal data** would be protected if transferred outside the EEA, please contact **our Data Protection Manager**.

## **SECTION 10: YOUR RIGHTS AND CONTACT DETAILS OF THE ICO**

If **you** have any questions about this privacy notice or in relation to **our** use of **your personal data**, **you** should first contact **our Data Protection Manager**. Under certain conditions, **you** may have the right to require us to:

- provide **you** with further details on the use **we** make of **your personal data/special category of data**;
- provide **you** with a copy of the **personal data** that **you** have provided to **us**;
- update any inaccuracies in the **personal data we** hold;
- delete any **special category of personal data/personal data** that **we** no longer have a lawful ground to use;
- where processing is based on consent, to withdraw **your** consent so that **we** stop that particular processing;
- object to any processing based on the legitimate interests ground unless **our** reasons for undertaking that processing outweigh any prejudice to **your** data protection rights;
- object to direct marketing; and
- restrict how **we** use **your personal data** whilst a complaint is being investigated.

In certain circumstances, **we** may need to restrict the above rights in order to safeguard the public interest (e.g. the prevention or detection of crime) and **our** interests (e.g. the maintenance of legal privilege).

If **you** wish to exercise any of the rights set out above, please contact **our** Data Protection Manager.

### **No fee usually required**

**You** will not have to pay a fee to access **your personal data** (or to exercise any of the other rights). However, **we** may charge a reasonable fee if **your** request is clearly unfounded, repetitive or excessive. Alternatively, **we** may refuse to comply with **your** request in these circumstances.

### **What we may need from you**

**We** may need to request specific information from **you** to help **us** confirm **your** identity and ensure **your** right to access **your personal data** (or to exercise any of **your** other rights). This is a security measure to ensure that **personal data** is not disclosed to any person who has no right to receive it. **We** may also contact **you** to ask **you** for further information in relation to **your** request to speed up **our** response.

### **Time limit to respond**

**We** try to respond to all legitimate requests within one month. Occasionally it may take **us** longer than a

month if **your** request is particularly complex or **you** have made a number of requests. In this case, **we** will notify **you** and keep **you** updated.

### Your Right to Complain to the ICO

If **you** are not satisfied with **our** use of **your personal data** or our response to any request by **you** to exercise any of **your** rights in **Section 11: Your Rights and Contact Details of the ICO**, or if **you** think that **we** have breached the **GDPR**, then **you** have the right to complain to the **Information Commissioner's Office (ICO)**, the UK supervisory authority for data protection issues. Please see below for contact details of the **ICO**.

**We** would, however, appreciate the chance to deal with **your** concerns before **you** approach the **ICO** so please contact **us** in the first instance.
